State of the Company's Affairs & Industry Outlook

Mutual Fund Activity:

The Company is functioning as an investment manager to PPFAS Mutual Fund. Company generates its operating income from management fees which it charges on Asset Under Management of the schemes of PPFAS Mutual Fund. AUM of the schemes of PPFAS Mutual Fund has increased from Rs. 989.76 crores as on March 31, 2018 to Rs. 1961.5 crores as on March 31, 2019. Investment in the schemes through Systematic Investment Plan (SIP) registration is also growing at a gradual pace and it's a good sign as it provides stable and predictable inflow of funds. This increase in AUM is due to incremental inflows into the schemes and capital appreciation of the existing portfolio.

During the financial year, the Fund launched its second scheme after completion of 5 years of its operations in the Mutual Fund Industry. The second new scheme launched in May 2018 was Parag Parikh Liquid Fund (An open-ended Liquid Scheme) to cater to the needs of the investors and to facilitate the STP into the existing Equity Scheme. Also, in the month of July 2019 the Mutual Fund will launch its third scheme Parag Parikh Tax Saver Fund (PPTSF) to enable investors to save on tax while earning equity linked returns.

Number of investors have increased from 19,033 in FY 2017-18 to 80,289 in FY 2018-19. Stability and wider acceptability for the schemes of PPFAS Mutual Fund helps company to earn its operating income (i.e. management fees). Operations of the Company is in compliance with the applicable statutes. The Company has implemented required risk control procedures. Board members are of the view that functioning of the Company is satisfactory and Company is in good financial health.

Details of performance of the schemes of PPFAS Mutual Fund can be obtained from the website of PPFAS Mutual Fund, www.amc.ppfas.com.

Environment in the capital markets

There has been a severe fall in the small and mid-cap stocks and indices as well as some fancied sectors like Non-Bank Finance Companies (NBFCs). In the midst of all the turmoil, Parag Parikh Long Term Equity Fund (Formerly known as Parag Parikh Long Term Value Fund) preserved capital quite well on the downside. Low growth in corporate sales and earnings is creating challenges for delivering returns to equity investors. We continue to be guided by valuation parameters while investing in equity and will not chase momentum while making investments. As always PPFAS is focussing on individual companies on a bottom up stock selection process.

Even in the debt funds, there was quite a bit of turmoil given the troubles at IL&FS and some other corporate groups where the Mutual Funds had invested funds from the debt schemes. Parag Parikh liquid fund is very focused on the safety for unit-holders and has a large allocation to Triparty Repo and Sovereign Paper which is credit risk free and highly liquid. Even where we have Commercial Paper and Certificate of Deposit investments, we are keeping individual exposures minimal and at the same time doing our own credit analysis and not just relying on the Credit Ratings.

Both the approaches in the Equity and in Debt markets have helped us stand out in the market place and clients and distribution partners have appreciated this.

Network expansion

The Company has taken the initial steps to expand its geographical reach. We have representatives in Delhi NCR and Bengaluru and the formal launch of the branches there is expected soon. We are also planning expansion to Pune and Chennai shortly.

Expense Ratio Reduction

There have been various regulatory reductions in the fees that can be charged to the clients by Mutual Funds. This has had some adverse impact on the growth of revenue for the company.

Technology infrastructure

A lot of investments have been made in people, hardware and software in the IT department of the Company. This will help us to improve the security and efficiency of our IT resources and at the same time improve customer service and delight.

Investor Relations

Company has in-house investor relations department which addresses all the investor queries. Apart from maintaining a dedicated in-house investor relations department; the Company has outsourced the handling of investor queries/services to CAMS Call centre which addresses all investor queries.

In- house investor relations department is supported by CAMS service centres. PPFAS Mutual Fund has appointed CAMS as its Registrar and Transfer agent.

Finances

The Company has invested its funds received in schemes of Mutual Funds and other permissible securities. A certain amount of the surplus funds is invested in the scheme, Parag Parikh Long Term Equity Fund (Formerly known as Parag Parikh Long Term Value Fund) and Parag Parikh Liquid Fund. The Company does not charge management fees on the amount invested by it in the schemes of PPFAS Mutual Fund as per the provisions of the SEBI (Mutual Fund) Regulations, 1996. Details of investments made by the company are provided in 'investment schedule' which forms part of the financials.

Expenses incurred during the year were primarily in the nature of operational, administrative and capital expenses. Expenses incurred toward acquisition of assets have been capitalised.

Human Resource

The Company is recruiting employees at a gradual pace. We are in the eighth year of operations and as the mutual fund operations grow, company will employ more employees to support its operations and service unit holders of PPFAS Mutual Fund. To ensure employees possess up to date knowledge of the industry and profession, company encourages its employees to undergo continued professional development

programmes. The Board is of the opinion that it is a sensible approach to manage and nurture its human resource.

Future Outlook

During financial year 2018-19 we witnessed decent growth in Assets Under Management (AUM) for schemes of PPFAS Mutual Fund (i.e. AUM grew from Rs. 989.76 crores to Rs. 1961.5 crores). Scheme of PPFAS Mutual Fund- Parag Parikh Long Term Equity Fund (Formerly known as Parag Parikh Long Term Value Fund) has completed 6 years of operations in the month of May, 2019. We continue with the same investment focus, to buy meaningful stakes in well run businesses, for the long term.

Going forward, our focus is to guide PPFAS AMC (investment manager) to build its distribution channel which will serve investors of PPFAS Mutual Fund coming from direct as well as distributor channel and ensure operations of PPFAS Mutual Fund and PPFAS AMC are in compliance with applicable SEBI regulations.

Annexure A to the Independent Auditors Report
Auditor's Responsibilities For Audit Of Financial Statements

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our

conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

PPFAS ASSET MANAGEMENT PRIVATE LIMITED

**NOTES FORMING PART OF FINANCIAL STATEMENTS FOR THE
PERIOD ENDED 31ST MARCH, 2019**

NOTE 1: CORPORATE INFORMATION

PPFAS Asset Management Private Limited was incorporated on 8th August, 2011. The Company is subsidiary of Parag Parikh Financial Advisory Services Private Limited. The Company's corporate office is located in Mumbai. This is the eighth year of operations of the company. The Company is incorporated to function as an investment manager to PPFAS Mutual Fund and earns Management Fees as its primary source of Income.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

a. Basis Of Preparation

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014. The financial statements have been prepared under the historical cost convention on an accrual basis. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

b. Use of Estimates

The preparation of financial statements, in conformity with Indian GAAP requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets, liabilities and disclosure of contingent liabilities at the end of the reporting period. Although these estimates

are based upon management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

c. Current / Non Current Classification

Any asset or liability is classified as current if it satisfies any of the following conditions:

- i. it is expected to be realized or settled or is intended for sale or consumption in the Company's normal operating cycle;
- ii. it is expected to be realized or settled within twelve months from the reporting date;
- iii. in the case of an asset,
 - it is held primarily for the purpose of providing services; or
 - it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date;
- iv. in the case of a liability, the company does not have an unconditional right to defer settlement of liability for at least twelve months from the reporting date.

All other assets and liabilities are classified as non-current.

Since the Company is a provider of services, for the purpose of current/non-current classification of assets and liabilities, it has classified all those items which are expected to be realized or settled within twelve months from the reporting date as current items and others as non-current.

d. Tangible fixed assets

Tangible fixed assets are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises the

purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use.

Gains or losses arising from derecognition of tangible fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

e. Intangible fixed assets

Intangible fixed assets are stated at cost of acquisition less accumulated amortization and accumulated impairment loss, if any.

Gains or losses arising from derecognition of an intangible fixed asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

f. Depreciation

Depreciation on fixed assets is provided on Straight Line Method (SLM) applying rates/useful lives as prescribed in the Companies Act

g. Impairment

Fixed assets are reviewed for impairment whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. If any such indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount.

h. Investments

Investments are classified into current and non-current investments. Investments that are readily realizable and intended to be held for not more than a year from the date of acquisition are classified as current investments. All other investments are classified as long-term investments.

Current investments are stated at the lower of cost and fair value. Non-current investments are stated at cost.

A provision for diminution in the value of long-term investments is made only if such a decline is other than temporary.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is recognized in the Statement of Profit and Loss.

i. Employee Benefits

A) Short Term Employee Benefits:

ii. The present value of the obligation is determined based on the actuarial valuation. This amount is funded through an employee gratuity trust managed by HDFC Standard Life Insurance.
